The Honorable Randy Feenstra
Feenstra for Congress
641 2nd Street
Hull, Iowa 51239

Dear Senator Feenstra:

National Right to Life is pleased to endorse you in the election to the U.S. House of Representatives, to represent the 4th Congressional District of Iowa.

You are a strong advocate for life. You support pro-life legislation, including the *Pain-Capable Unborn Child Protection Act*, which would protect unborn children who can feel pain by prohibiting abortion at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

You oppose the use of federal funds for abortion, and you oppose taxpayer funding of abortion providers.

You have been a leader in Iowa's state Senate on life issues. This endorsement reflects your commitment to strengthening a culture of life throughout the nation and in the U.S. Congress. We look forward to working with you to protect the most vulnerable members of the human family – unborn children and medically dependent or disabled persons, whose lives are threatened by abortion or euthanasia.

All Iowa voters in the 4th Congressional District who are concerned with the right to life and with the protection of the most vulnerable members of the human family should vote to send you to Congress, so that you can work to advance vital pro-life public policies.

Sincerely,
